Notes:				Documentation of ASTM Cushioning:			
				P&P for children age 3 & older going unsupervised to the bathroom:			
<i>INSPECTION</i>		<i>DATE</i>	<i>START TIME</i>	<i>AM / PM</i>	<i>END TIME</i>	<i>AM / PM</i>	Licensing Specialist(s):
Signatures							
Inspection	Number of Items Out of Compliance	Name of Individual Informed of this Inspection			Signature of Informed Individual		
<p><i>We will email you this inspection report after the inspection is completed and we will send you an official Statement of Findings. If the only noncompliance items are documentation and/or records, please submit these to Licensing by the compliance required date listed.</i></p>							
Introductory Items							
Introduce any unknown CCL staff to the Owner/Director				Where do you store medications?			
Give the Owner/Director a brief explanation of the inspection process.				How many telephones does the facility have and where are they?			
Ask the Owner/Director if s/he wants you to tell staff about noncompliance areas as you conduct the walk-through, or wait until the inspection is over and only tell the Owner/Director.				How many hot water tanks in the facility? Do any of the sinks have mixing Valves?			
				Where is the first aid kit for the facility and field trips?			
Let the Owner/Director know that you will need to observe 1 diaper change in each room that diapers children (or 2 rooms, if there are more than 2 rooms in which children are diapered). The Owner/Director may want to have staff in those rooms come and interrupt the inspection to let you know when they are ready to change a diaper.				Have any windows been replaced since the last Announced Inspection? If yes, a new safety glass form must be filled out. If the safety glass form indicates safety glass wasn't needed due to a barrier, verify the windows are still in compliance.			
Have any cribs been replaced since the last Announced Inspection? If yes, a new crib form must be filled out.							

	If the center transports children, let the Owner/Director know that at some point during the inspection, you will need to inspect the vehicles used to transport children.					
	Wash hands.					
Yes	No	Are parts of the facility rented or lived in? If yes; review the signed lease agreement and verify that there is a separate mailing address, a separate entrance and that there are no connecting unlocked interior doorways.				
Rule Description		<i>C = Compliance NC = Noncompliance NA = Not Applicable CDI= Compliant During Inspection</i>				
DIRECTOR INTERVIEW QUESTIONS		Rule Number	C	NC	NA	Compliance Required By:
1. Are you aware of any staff, owners, governing board members, volunteers, or anyone who has unsupervised access to a child in care having been arrested, charged, or convicted of a felony or misdemeanor;		R430-6-4(9)				
2. Or having been investigated with a supported finding of abuse or neglect by the Department of Human Services?		R430-6-6(4)				
3. How do you ensure that school age children have privacy when using the bathroom?		100-4(3)				
4. Are bathroom surfaces cleaned and sanitized daily?		100-5(2)				
5. Are all caregivers at least 18 years of age?		100-7(3)				
6. Do you have any assistant caregivers under age 18? If yes: are they at least 16 years of age, and do they always work under the immediate supervision of a caregiver who is at least 18 years of age?		100-7(4)				
7. How do you ensure caregivers under age 18 are never left unsupervised with children?		100-7(5)				
8. How do you ensure that either you or a designee with authority to act on your behalf is present whenever the center is open for care?		100-8(5)				
9. Are all director designees at least 21 years of age? (Must be individuals who meet the background screening and training requirements. Director designees will have the authority to act on behalf of the center director in his or her absence.)		100-8(6) 100-8(11)(a)				
10. How many hours each week are you on-site at the facility?		100-8(7)				
11. Do you have regularly scheduled caregiving duties? If yes: for how many hours per week, in addition to the time you spend managing the center?		100-8(8)				
12. During the past year, has there been a child fatality, hospitalization, emergency medical response, or injury to a child that required attention from a health care provider? If yes, was the Department notified within 24 hours, and a written report sent within 5 days?		100-8(10)				
13. What are staff trained to do when children misbehave? How do you ensure staff comply with this training when children misbehave?		100-8(11)(b)(i)-(ii)				
14. How do you train and supervise staff to ensure children are not subjected to emotional, physical, or sexual abuse while in care?		100-8(11)(b)(iii)				
15. Is the facility's Health and Safety Plan available for review by parents, staff, and the Department during business hours?		100-8(13) 100-10(7)				
Do you keep the following records on-site for at least six weeks:		100-9(2)(e)				
16. Medication permission and administration forms.						
17. Incident, accident, and injury reports.		100-9(2)(f)				
18. Diapering, infant eating and infant sleeping records.		100-9(2)(g)				
Inspection Notes		Number of Items Out of Compliance on This Page:				

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
19. Is information in Children's files released without written parental permission?	100-9(3)				
20. Are there always at least two caregivers with the children whenever there are more than 8 children or more than 2 children under age 2 present?	100-11(3)				
21. Are there any trampolines?	100-12(11)				
22. Do parents have access to the center, and to their child's room, any time their child is in care?	100-13(2)				
23. What are your sign-in and sign-out procedures? Is each child signed in and out of the center, including date and time? Do persons signing children in and out use identifiers? Is photo ID required if an unknown person picks up a child?	100-13(3)(a) 100-13(3)(b)-(c)				
24. Are parents given a report of every incident, accident, or injury involving their child on the day it occurs? Is the report signed by the caregiver, director, and person picking up the child? If school age children sign themselves out, is the report sent to the parent the following day?	100-13(4)				
25. In addition to giving a written report, are parents contacted immediately if a child is injured and the injury appears serious but not life threatening?	100-13(5)				
26. Are emergency personnel contacted immediately, before contacting the parent, in the case of a life threatening injury to a child, or an injury that poses a threat of the loss of vision, hearing, or a limb? If the parent cannot be reached after emergency personnel have been contacted, do you attempt to contact the child's emergency contact person?	100-13(6)				
27. Are staff trained that, according to Utah law, they are mandated reporters and that if they suspect any type of abuse they are required to report it to CPS or the authorities?	100-14(2)				
28. Is food and drink brought from home labeled with child's name, and refrigerated if needed?	100-15(5) ♪				
29. While in care, do children use personal hygiene items such as toothbrushes, combs, and/or hair accessories? If yes, are they sanitized between each use if shared by children or used by staff on more than one child? Are they stored so that they do not touch each other?	100-16(7)				
30. Are washable toys and materials cleaned and sanitized weekly, and as needed?	100-16(8) 100-24(23)(a)-(c)				
31. Are water play tables or tubs ever used? If yes: are they washed and sanitized daily, and do children wash hands prior to using them?	100-16(10)				
32. What do you do when children's clothing becomes wet or soiled with body fluids? Is children's clothing promptly changed? Do you rinse children's clothing at the center? Is the clothing placed in a leak proof container labeled with the child's name, and given to the parent?	100-16(12) 100-16(13)(a)-(b)				
33. Are potty chairs ever used? If yes: are they cleaned and sanitized after each use?	100-16(14)				
34. Do any of your cooks ever change diapers or assist in toileting children?	100-16(15)				
35. Do you notify the local health department on the day of discovery of any infectious diseases among children or caregivers?	100-16(20)				
36. Do you post a parent notice at the center in a conspicuous location where it can be seen by all parents when any staff or child has an infectious disease or parasite? Is the notice posted and dated the same day the disease or parasite is discovered? Does it remain posted for at least 5 days?	100-16(21)(a)-(b)				
Inspection Notes	Number of Items Out of Compliance on This Page:				

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
37. Do you administer medications? Are they only administered to children by a provider trained in administering medications? Do they wash their hands? Check the medication label to confirm the child's name? Compare the instructions on the parent release form with the directions on the prescription label or product package to ensure that a child is not given a dosage larger than that recommended by the health care provider or the manufacturer?	100-17(1) 100-17(7)(a)-(d)				
38. Do you keep over-the-counter medication at the center that is not brought in by a parent for their child's use? Do you administer the medication to any child without prior written or oral parental consent for each instance it is given? If oral consent is given do you document in writing the date and time of the consent, and does the parent or person sign the documentation upon picking up the child?	100-17(5)(a)-(b)				
39. Do you report any adverse reaction to a medication or error in administration to the parent immediately upon recognizing the error or reaction, or after notifying emergency personnel if the reaction is life threatening.	100-17(8)				
40. Is a sheet and blanket or acceptable alternative made available to each child during nap time? Are they clearly assigned to one child? Stored separately from other children's when not in use? Laundered as needed, but at least once a week and prior to use by another child?	100-18(9) 100-18(9)(a)-(c)				
41. Do all children, including infants and toddlers, have outdoor play every day, weather permitting?	100-20(2)				
Do you take the children off-site? (N/A if no off-site activities)	100-20(5)(a)				
42. Do you obtain written parental consent for each activity in advance?					
43. Do caregivers take children's emergency information and releases with them during off-site activities?	100-20(5)(b)				
44. Do caregivers take a first aid kit with them?	100-20(5)(e)				
45. During off-site activities, do children carry with them the name and phone number of the center, but not their own name?	100-20(5)(f)				
46. If you offer swimming activities, do caregivers remain at the pool with the children during the activity?	100-20(6)				
Are there any animals at the center? (N/A if the answer is no.)	100-22(1)				
47. Do you inform parents of the types of animals permitted at the facility?					
48. Are all animals at the facility clean and free of obvious disease or health problems that could adversely affect children?	100-22(2)				
49. Have any of the animals at the center ever bitten anyone, or displayed any other dangerous or aggressive behavior?	100-22(4)				
50. Who cleans the animals and their equipment? (Infants, toddlers, and preschoolers may not do this.) If school age children assist in the cleaning of animals or animal equipment, do they wash their hands immediately after?	100-22(5) 100-22(6)				
51. Are animals ever allowed in food preparation or eating areas?	100-22(7)				
52. Are children ever allowed to handle reptiles or amphibians?	100-22(8)				
53. Do any of your caregivers who care for diapered children ever cook food in the kitchen for children outside of their room?	100-23(13)				
Inspection Notes	Number of Items Out of Compliance on This Page:

GENERAL INSPECTION ITEMS					
54. Is there a qualified director?	R430-1-5(3)(d) 100-7(1) 100-7(1)(a)-(e)				
55. Total # of children present exceeds total licensed capacity?	R430-1-6(1)				
56. Child care license posted in a place readily visible to the public?	R430-1-6(3)				
57. Did the provider allow licensing staff access to all areas of the facility? (If no, notify the Regional Manager)	430-1-9(1)(d)				
58. Are entrances, exits, steps and outside walkways maintained in a safe condition, and free of ice, snow, and other hazards?	100-5(5)				
59. Does the facility have a working telephone? Center address and emergency numbers posted near each phone?	100-8(9) 100-10(1)				
60. Are there first aid supplies in the center, including at least band-aids, antiseptic, and tweezers?	100-10(3)				
61. Department's child care guide posted where parents can see it?	100-13(1)				
62. Is there a body fluid clean up kit that is restocked as needed?	100-16(16)(a)-(c)				
Food Service					
63. Current week's menu made available for parent review? Are you currently participating in the CACFP? If not, is menu approved as required?	100-15(1)(b) 100-15(1)(d)				
64. Meals or snacks offered at least once every three hours?	100-15(2)				
65. Children's food served on dishes, napkins, or sanitary high chair trays, except for individual serving size items placed directly in children's hands?	100-15(3)				
66. Are you (the cook; if the cook serves food to children) aware of the food allergies and sensitivities?	100-15(4)				
Medications					
NA #67 - #68 if there are no medications in the facility.					
67. Are all over-the-counter and prescription medications: Labeled with the child's full name if brought in by a parent (if not purchased by the center for all children)? Kept in the original or pharmacy container? Have the original label? Have child-safety caps?	100-17(2)(a)-(d)				
68. Are non-refrigerated medications inaccessible to children and stored in locked area or container? Are refrigerated medications stored in a leakproof container?	100-17(3)				
Transportation & Vehicles If the center transports children, does every vehicle used for transporting children meet the following:					
NA #69 - #75 if the facility does not transport children.					
69. Is the vehicle enclosed?	100-21(1)(a)				
70. Is the vehicle equipped with individual, size appropriate safety restraints, properly installed and in working order, for each child being transported? What ages of children do you transport? What restraints do you use if you transport children under age eight?	100-21(1)(b)				
71. Does the vehicle have a current vehicle registration and safety inspection? (Observe the registration sticker on the license plate.)	100-21(1)(c)				
72. Is the vehicle maintained in a safe condition?	100-21(1)(d)				
Inspection Notes	Number of Items Out of Compliance on This Page:				

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
73. Is the temperature in the vehicles maintained between 60-90 degrees Fahrenheit?	100-21(1)(e)				
74. Does the vehicle contain a first aid kit?	100-21(1)(f)				
75. Does the vehicle contain a body fluid clean up kit?	100-21(1)(g)				
Children's Restrooms					
76. How many water heaters/buildings are in the facility? Do any of the sinks have mixing valves? Check temperature in sinks for each heater/building and each mixing valve. Does hot water accessible to children exceed 120 degrees?	100-12(7)				
77. Only single use towels from covered dispenser or electric hand-drying device used after handwashing?	100-16(3) ♪				
78. Is toilet paper accessible to children and kept on a dispenser?	100-16(4) ♪				
79. Are handwashing procedures readily visible from each sink and followed?	100-16(5) ♪				
ALL ROOMS USED BY CHILDREN					
80. Peeling, flaking, chalking, or failing paint indoors? If yes, was the building built before 1978? If yes: is there documentation of testing and correction?	100-4(1)				
81. Working hand washing sink in the room? (N/A if building built before July 1, 1997.)	100-4(4)				
82. Room ventilated by windows that open and have screens or by mechanical ventilation?	100-4(7)				
83. Indoor temperature between 65 and 82 degree Fahrenheit?	100-4(8)				
84. Adequate light intensity throughout the center for the safety of children and the type of activity?	100-4(9)				
85. Glass surfaces within 36" from the floor or ground, and in an area accessed by children, made of safety glass or have a protective guard?	100-4(10)				
86. Facility appears clean and sanitary, except for normal daily messes?	100-5(1)				
87. Facility free of insects, rodents, and other vermin?	100-5(3)				
88. Ceilings, walls, floor coverings, draperies, blinds, furniture, fixtures, and equipment in good repair, to prevent injury?	100-5(4)				
89. Are all children being directly supervised?	100-11(1)				
90. Are required caregiver to child ratios and group size (if group size applies) maintained for single age groups?	100-11(4)				
91. Are required caregiver to child ratios and group size (if group size applies) maintained for mixed age groups?	100-11(6)				
Are the following items inaccessible to children? If there are stacks of bins, boxes and/or containers, ask: what are the contents?					
92. Standing water inside?	100-8(4)				
93. Melting wax (such as in a candle warmer)?	100-12(1)				
94. Facility free of tripping hazards?	100-12(2)

147. Are children under age 2 ever mixed with older children when there are more than 8 children present in the group? Are there at least two caregivers with the group if there are more than 2 infants or toddlers in a mixed age group?	100-24(1) 100-11(8)				
148. Do you ever prop bottles for children not old enough to sit upright and hold their own bottle?	100-24(3)				
149. ASK: Do you always clean and sanitize high chair trays prior to each use?	100-24(4)				
150. Are solid foods for infants cut into pieces no larger than 1/4" in diameter, and solid foods for toddlers into pieces no larger than 1/2" in diameter?	100-24(5)				
151. Do you have any baby food, formula, or breast milk for infants brought from a child's home? If yes, is it: Labeled with the child's name? Labeled with the date and time of preparation or opening of the container?	100-24(6)(a)-(b)				
152. Kept refrigerated if needed?	100-24(6)(c)				
153. Discarded within 24 hours of preparation or opening (except powdered formula or dry foods which are opened, but are not mixed, are not considered prepared)?	100-24(6)(d)				
Inspection Notes	Number of Items Out of Compliance on This Page:				

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
154. ASK: Is formula, milk, and breast milk discarded after feeding or within two hours of initiating feeding?	100-24(7)				
155. ASK IF NOT OBSERVED: Are heated bottles shaken and tested for temperature before being fed to children?	100-24(8)				
156. Are all pacifiers, bottles, and non-disposable drinking cups labeled with each child's name, and not shared?	100-24(9) ♪				
157. Does only one infant or toddler occupy any one piece of equipment at a time, unless equipment has individual seats for more than one child?	100-24(10)				
158. Do infants sleep in equipment designed for sleep (crib, bassinet, porta-crib or play pen)? Are infants placed to sleep on mats or cots, or in bouncers, swings, car seats, etc.?	100-24(11)				
159. Do all cribs have tight fitting mattresses?	100-24(12)(a)				
160. Do all cribs have slats spaced no more than 2-3/8 inches apart?	100-24(12)(b)				
161. Do all cribs have at least 20 inches from the top of mattress to top of the crib rail?	100-24(12)(c)				
162. Do any cribs have strings, cords, ropes, or other entanglement hazards strung across crib rails?	100-24(12)(d)				
163. Do all cribs meet CPSC crib standards (6 C.F.R. parts 1219 & 1220)?	100-24(12)(e)				
164. ASK: Are infants always placed on their backs for sleeping (unless there is documentation from a health care provider for treatment of a medical condition)?	100-24(13)				
165. ASK: Is each infant and toddler allowed to eat and sleep on their own schedule? (If the center has a meal schedule for infants or toddlers, what do you do if an infant or toddler is hungry or tired, and it is not a regular nap or meal time?)	100-24(14)				
166. Do caregivers keep daily written record of each infant's eating and sleeping? Record completed within 1 hour of each feeding or nap, and includes the child's name, the food/beverages eaten, and the times child slept? (N/A if only toddlers in care.)	100-24(15)				
167. Are there any walkers with wheels?	100-24(16)				
168. Do infants and toddlers have access to objects made of Styrofoam?	100-24(17)				
169. Do caregivers respond as promptly as possible to infants and toddlers who are in emotional distress (due to hunger, fatigue, wet or soiled diapers, fear, teething, or illness)?	100-24(18)				
170. Do all awake infants and toddlers receive positive physical and verbal interaction with a caregiver at least once every 20 minutes?	100-24(19)				
171. Do you keep awake infants or toddlers confined for more than 30 minutes in one piece of equipment (such as swings, high chairs, cribs, play pens, etc.)?	100-24(20)				
172. Do mobile infants and toddlers have freedom of movement in a safe area?	100-24(21)				
173. Safe toys accessible to infants and toddlers to stimulate their healthy development? Enough toys for each child in the group to be engaged in play with toys?	100-24(22)

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
General Records					
174. If there are animals at the center, does center have current animal vaccination records?	100-9(1)(b) 100-22(3)				
175. Is emergency and disaster plan reviewed annually and updated if needed, with date of last review/update noted on the plan?	100-10(6)				
176. Does the center have a record of monthly fire evacuation drills for the past 12 months?	100-10(8) 100-9(1)(a)				
177. Does the fire drill log include all of the following information for each drill: Date and time of the drill, number of children participating, name of the person supervising the drill, total time to complete the evacuation and any problems encountered?	100-10(9)(a)-(e)				
178. Does the center have a record of two semi-annual drills for disasters during the past 12 months?	100-10(10) 100-9(1)(a)				
179. Does the disaster drill log include all of the following information for each drill: Type of disaster, date and time of the drill, number of children participating, name of the person supervising the drill, and any problems encountered.	100-10(11)(a)-(e)				
180. Do fire and disaster drill logs vary the days and times on which drills are held?	100-10(12)				
181. If center has a pool over 4' deep and it is a time of year when the pool is used, documentation that the lifeguard(s) for the pool have Red Cross or equivalent lifeguard certification.	100-12(12)(d)				
182. Does the center's medication permission form contain at least the following instructions to be completed by the parent? (N/A if the center does not administer medication, or has not administered medications in the past 6 weeks.): The name of the child; The name of the medication; Written instructions for administration; including: The dosage; The method of administration; The times and dates to be administered; The disease or condition being treated. The parent signature and the date signed.	100-17(4)(a)-(d)				
183. Does the center's medication administration form contain at least the following information to be completed by the person administering the medication? (N/A if the center does not administer medication, or has not administered medications in the past 6 weeks.): The date, time, and dosage of the medication given; Signature or initials of person who administered the medication; Any errors in administration or adverse reactions?	100-17(7)(e)				
Children's Records Number of children enrolled: Number of children reported on the Children's Records? <i>If the number of children reported on the Children's Records is 0, licensing staff will conduct an onsite inspection of all children's records.</i>					
184. Center's child admission form include the following information for each child(shaded areas must be completed by parents for each form to be considered complete: Child's name; Child's date of birth; Parent's name address, and phone number; Names of people authorized by the parent to pick up the child; Name, address and phone number of emergency contact person; Name, address, and phone number for out of area emergency contact, if available; Current signed emergency medical treatment and transportation releases.	100-9(2)(a)(i)-(vii)				
Inspection Notes		Number of Items Out of Compliance on This Page:			

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
185. Completed Health Assessment for each enrolled child. Does the center's health assessment contain the following information about the child: Allergies; Food sensitivities; Acute and chronic medical conditions; Instructions for special or non-routine daily health care; Current medications; Any other special health instructions for the caregiver.	100-9(2)(b) 100-14(5)(a)-(f)				
186. Each child's health assessment is reviewed, updated, and signed or initialed by the parent annually.	100-14(6)				
187. Transportation permission form for each currently enrolled child, if the center provides transportation services.	100-9(2)(d)				
Staff Records					
188. First Aid and CPR for staff to ensure: There is at least one person at the facility at all times when children are in care; on off-site activities; and at least one person in each vehicle transporting children.	100-9(4)(f) 100-10(2) 100-20(5)(d) 100-21(2)				
189. Background screening information submitted for all new covered individual within 10 working days of beginning at the facility.	R430-6-3(3)(a)-(b)				
190. Have all background screenings been renewed for each covered individual prior to the last day of the expiration month on the covered individual's card?	R430-6-3(5)				
191. At least 2.5 hours of pre-service training completed prior to assuming caregiving duties for each new caregiver and volunteer.	100-9(4)(d) 100-7(9)(a)-(j)				
192. The following individuals complete a minimum of 20 hours of annual training based on the center's license date: director, assistant director, caregivers, substitutes who work an average of 10 or more hours per week as averaged over any 3 month period, all volunteers counting in ratios. Caregivers who begin employment during license year complete prorated hours. 10 Hours face to face training.	100-7(10)(a)-(e) 100-7(11) 100-7(12) 100-7(14) 100-(9)(e)				
193. Training topics completed for each individual required to complete annual training. Current child care licensing rules 11: Supervision & Ratios; 12: Injury Prevention; 13: Parent Notification & Child Security; 14: Child Health; 15: Child Nutrition; 16: Infection Control; 17: Medications; 18: Napping; 19: Child Discipline; 20: Activities; 21: Transportation; 22: Animals; 23: Diapering; 24: Infant & Toddler Care; Review of Department approved Health and Safety Plan ; Signs & symptoms of child abuse and neglect, including child sexual abuse, & legal reporting requirements; principles of child growth & development , including brain development; positive guidance ; preventing shaken baby syndrome & abusive head trauma, & coping with crying babies; preventing SIDS & use of safe sleeping practices; recognizing the signs of homelessness & available assistance.	100-7(13)(a)-(h)				
Inspection Notes		Number of Items Out of Compliance on This Page:			

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
Outdoor Area					
Check box if play equipment, fence, and/or cushioning could not be assessed. Please identify item and state the reason why:					
194. When in use, is the outdoor play area free animal excrement, harmful plants, objects, or substances, and standing water?	100-6(7)				
195. Does the outdoor play area have a shaded area to protect children from excessive sun and heat whenever there are children in the outdoor play area?	100-6(8)				
196. Do children in the outdoor play area have an outdoor source of drinking water whenever the outside temperature is 75 degrees or higher?	100-6(9)				
197. Are children on the playground actively supervised to minimize the risk of injury to children?	100-11(2)				
Fence					
198. Is the outdoor play area enclosed within a 4' fence or wall, or a solid natural barrier at least 4' high? (Must average 3.958' at minimum)	100-6(4)				
199. Are there any gaps in the fence or barrier, or between the fence and the ground, greater than 5" by 5"?	100-6(5)				
Cushioning					
NA #200 - #206 if there is no equipment that requires protective cushioning.					
200. Is there protective cushioning in all existing use zones?	100-6(10)(d)				
201. Does protective cushioning in existing use zones around stationary play equipment meet depth requirements and/or need to be redistributed? Is sand, gravel, and shredded tire cushioning loosened (not compacted) to required depths?	100-6(10)(e) 100-6(10)(f)				
202. If there have been changes in cushioning since last inspection, is there ASTM documentation for wood product cushioning? Get a copy if there is not one in DAS.	100-6(10)(g)(i)				
203. Does wood product cushioning have adequate drainage?	100-6(10)(g)(ii)				
204. Is there ASTM documentation for poured rubber or rubber mat cushioning? Get a copy if there is not one in DAS.	100-6(10)(h)(i)				
205. Is poured rubber or rubber mat cushioning securely installed?	100-6(10)(h)(ii)				
206. Is stationary play equipment with a designated play surface 18" or less (infant/toddler), 20" or less (preschool), or 30" or less (school age) placed on grass or another soft surface? (Not on concrete, asphalt, or dirt.)	100-6(10)(i)				
General Outdoor Play Equipment					
NA #207 - #212 if there is no outdoor play equipment.					
207. Are there any openings greater than 3-1/2" x 6-1/4" but less than 9" diameter anywhere in the outdoor play area, on the equipment or within 6 inches of the perimeter of the use zone? (Infants/toddlers: > 23 1/4" above the ground; preschoolers: > 25 1/4"; school age: > 33" above the ground)	100-6(6) 100-6(10)(m)				
Inspection Notes	Number of Items Out of Compliance on This Page:				

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
208. Does the stationary play equipment have required protective barriers for infant and toddlers, preschoolers or school age children? (Infants and Toddlers - >18" Platform = 24" Barrier, Preschool - >30" Platform = 29" Barrier, School Age - >48" Platform = 38" Barrier)	100-6(10)(j) 100-6(10)(k) 100-6(10)(l)				
209. Are there any strangulation hazards on the stationary play equipment or adjacent to the use zone of any piece of stationary play equipment?	100-6(10)(n)				
210. Are there any crush, shearing, or sharp edge hazards on the stationary play equipment or adjacent to the use zone of any piece of stationary play equipment?	100-6(10)(o)				
211. Are there tripping hazards, such as concrete footings, tree stumps, tree roots, or rocks within the use zone of any piece of stationary play equipment?	100-6(10)(p)				
212. Is the outdoor play area and equipment maintained to protect children's safety? For example; no missing, broken, or worn out components on equipment; all hardware on equipment secure; no metal rusted badly enough to cause equipment failure; no splintery wood; equipment is stable, tiles used for cushioning do not have gaps greater than 1 inch.	100-6(11)				
Infant And Toddler Outdoor Play Equipment NA #213 - #220 if the facility does not care for infants and toddlers or if there is no outdoor play equipment.					
213. Is there any designated play surface on infant or toddler equipment more than 3' high?	100-6(10)(a)(i)				
214. If the height of a designated play surface or climbing bar on a piece of equipment, excluding swings, used by infants and toddlers is greater than 18", do the use zones extend a minimum of 3' in all directions from the perimeter of each piece of equipment? Is there a minimum of 3' between equipment? Does the use zone in the front of the slide overlap the use zone of another piece of equipment?	100-6(10)(a)(ii)				
215. The use zone in the front and rear of all swings shall extend a minimum distance of twice the height from the swing seat to the pivot point of the swing, and shall not overlap the use zone of any other piece of equipment.	100-6(10)(a)(iii)				
216. The use zone for the sides of a single axis swing shall extend a minimum of 3 feet from the perimeter of the structure, and may overlap the use zone of a separate adjacent piece of equipment.	100-6(10)(a)(iv)				
217. The use zone of a multi-axis swing shall extend a minimum distance of 3 feet plus the length of the suspending members, and shall never overlap the use zone of another piece of equipment.	100-6(10)(a)(v)				
218. The use zone for merry go rounds shall never overlap the use zone of another piece of equipment.	100-6(10)(a)(vi)				
219. The use zone for spring rockers shall extend a minimum of 3 feet from the at rest perimeter of the equipment.	100-6(10)(a)(vii)				
220. Do infant and toddler swings have enclosed seats?	100-6(10)(a)(viii)				
Preschool And School Age Outdoor Play Equipment NA #221 - #226 if there is no outdoor play equipment.					
221. If the height of a designated play surface or climbing bar on a piece of equipment, excluding swings, used by preschoolers or school age children is greater than 20", do the use zones extend a minimum of 6' in all directions from the perimeter of each piece of equipment? If the equipment is <30" in height is there a minimum of 6' between pieces of equipment? If the equipment is >30" in height is there a minimum of 9' between pieces of equipment?	100-6(10)(b)(i)

<div style="border: 1px solid black; height: 100px;"></div>					

Rule Description	Rule Number	C	NC	NA	Compliance Required By:
222. The use zone in the front and rear of a single axis swing shall extend a minimum distance of twice the height of the pivot point of the swing, and may not overlap the use zone of any other piece of equipment.	100-6(10)(b)(ii)				
223. The use zone for the sides of a single axis swing shall extend a minimum of 6 feet from the perimeter of the structure, and may overlap the use zone of a separate piece of equipment.	100-6(10)(b)(iii)				
224. The use zone of a multi-axis swing shall extend a minimum distance of 6 feet plus the length of the suspending members, and shall never overlap the use zone of another piece of equipment.	100-6(10)(b)(iv)				
225. The use zone for merry go rounds shall never overlap the use zone of another piece of equipment.	100-6(10)(b)(v)				
226. The use zone for spring rockers shall extend a minimum of 6 feet from the at rest perimeter of the equipment.	100-6(10)(b)(vi)				
Swimming Pools					
NA #227 - #231 if there are no swimming pools and wading pools are not used.					
If there is a swimming pool on the premises that is not emptied after each use: 227. Is the pool enclosed with a fence or other solid barrier at least 6' high, kept locked whenever pool is not in use?	100-12(12)(a)				
228. Does the pool appear to be maintained in a safe manner?	100-12(12)(b)				
If wading pools are used: 229. Is there always a caregiver at the wading pool supervising children whenever there is water in the pool?	100-12(13)(a)				
230. Do diapered children always wear swim diapers and rubber pants while in the wading pool?	100-12(13)(b)				
231. Is the wading pool emptied and sanitized after each use by a separate group of children?	100-12(13)(c)
